Re: D.T.E. 01-20 Part A-A - Unbundled Network Elements

Dear Ms. Cottrell:

Enclosed please find an original and 10 copies of two corrected tariff pages that were previously filed as part of Verizon MA's Compliance Filing in the above-referenced proceeding.

<u>Part</u>	<u>Section</u>	<u>Revision of Page(s)</u>
M	2	2
M	3	1

Verizon MA is making the following three corrections to its Compliance Filing: (1) revising the rate element description for DS1 IOF Dedicated transport from "DS1 - Fixed - Monthly - Per mile" to "DS1 - Mileage - Monthly - Per mile"; (2) changing the mileage rate for DS3 IOF - Dedicated transport from \$18.82 to \$18.62 that was coded incorrectly in the tariff; and (3) changing the rate for Meet Point A - end office from \$0.002069 per minute-of-use to \$0.001195 per minute. Verizon MA inadvertently did not include the correct entry in either the comparison matrix or the tariff for this last item.

Thank you for your assistance to this matter.

Sincerely,

Bruce P. Beausejour
